1.5.4. OKTAGON reserves the right to investigate any suspected unauthorised access, fraud, or misuse of Accounts. Depending on the severity of the case, OKTAGON may take actions including, but not limited to, temporary suspension, permanent termination, disqualification from OKTAGON Fantasy, or withdrawal of rewards. 2. Game Structure

2.1. Fighter Selection

2.1.1. Players draft up to three (3) Fighters every OKTAGON Tournament.

2.1.2. Players may optionally predict the method of victory (KO/TKO, Submission, or Decision) for which the Win Method Bonus (as defined below) applies.

2.1.3. From the Rank "Contender", a 4th Fighter slot is unlocked, therefore you may draft up to 4 Fighters every OKTAGON Tournament. If you drop below the required points threshold and therefore fall back to a lower Rank, the 4th Fighter slot is removed, and you may only draft 3 Fighters until you regain Rank "Contender".

OKTAGON FANTASY

Europe's first official MMA Fantasy League

2.1.4. If you have already submitted a Draft with 4 Fighters and subsequently lose the Rank "Contender", your Draft will be automatically reduced to 3 Fighters. The last selected Fighter will be removed, and no points will be awarded for that Fighter.

2.2. Draft Window & Withdrawals

2.2.1. Your Draft can only be made and changed during the official Draft Window.

2.2.2. At the End of Draft Window, all selections in the Draft become locked, with no changes possible.

2.2.3. If a drafted Fighter withdraws from OKTAGON Tournament during the Draft Window, you have until the End of the Draft Window to amend your Draft.

2.2.4. If your drafted Fighter withdraws, is otherwise unable to participate, is replaced, or the scheduled fight where the drafted Fighter should have participated is cancelled after the End of the Draft Window, you will automatically receive 1 point for that Fighter as a compensation.

2.2.5. It is your responsibility to ensure that your Draft is up to date before the End of the Draft Window. If you do not replace the withdrawn Fighter within this period, the slot will remain empty, and you will lose the opportunity to use it for that OKTAGON Tournament.

2.2.6. If you cannot edit your Draft during the Draft Window, please contact our Customer Support at customer.support@oktagonmma.com.

3. Scoring System

3.1. Fighter Draft Points

3.1.1. For each Fighter in a Draft, depending on the official results of the OKTAGON Tournament, you will receive the following number of points.

3.2.1. For each OKTAGON Tournament, you may choose to predict the method of victory (KO/TKO, Submission, or Decision) for one (1) of your drafted Fighters (the “**Win Method Bonus**”). This is optional: if you do not make a prediction, no bonus or penalty will apply.
